II. CONCLUSION

It is not believed that these references, alone or in combination, disclose or suggest the design claimed. However, Applicant wishes to make it clear that the disclosure of the above references is in no way an admission that they qualify as prior art. It is Applicant's desire, however, to have these references available in the record for both the Examiner and the public to see. Applicant therefore requests that the Examiner review the entire disclosure of the references and make the above-listed references of record.
